ABOUT US

GROUP

Established in 2025,

PT Restoe Boemi Indoenergy (RBI) is an industrial fuel distribution company and a member of Jovanindo Group. RBI was formed in response to the growing demand for dependable, compliant, and efficiently managed fuel supply across Indonesia's industrial sectors.

Building on Jovanindo Group's experience in construction, procurement, logistics, and project support, RBI provides industrial fuel solutions supported by disciplined planning, reliable sourcing, and coordinated delivery.

The name "**Restoe Boemi**" reflects our commitment to supporting the energy needs that sustain industry and economic activity. We aim to become a preferred fuel partner by delivering accurate volumes, consistent quality, responsive service, transparent commercial terms, and on time delivery.

Across every engagement, we uphold safety, regulatory compliance, accountability, and long term partnership.

ORGANIZATION STRUCTURE

HOW RBI WORKS AS A TEAM

P

PLAN WITH PURPOSE

Begin every assignment with clear objectives, accurate requirements, and a practical delivery plan.

R

RESPONSIVE

Respond promptly and adapt solutions to customer needs and operational conditions.

E

EXCELLENCE

Maintain consistent standards of quality, reliability, and service.

S

SYNERGY

Collaborate across functions and with partners to deliver dependable outcomes.

I

INNOVATION & EFFICIENCY

Improve processes, optimize resources, and use data to support accurate and efficient decisions.

S

SUSTAINABILITY

Operate responsibly to support long-term business continuity and environmental stewardship.

I

INTEGRITY

Act honestly, transparently, and accountably in every engagement.

WHY CHOOSE THE RBI'S TEAM ?

PRECISION DELIVERED

RBI provides reliable industrial fuel solutions designed to support uninterrupted operations. We coordinate sourcing, documentation, transportation, and delivery with a strong focus on accuracy, safety, compliance, and responsiveness.

- **RESPONSIVENESS** - Prompt communication and customer-focused service.
- **BENCHMARKING** - Competitive pricing, accurate measurement, and continuous performance improvement against industry standards.
- **INTEGRITY** - Transparent processes, safe operations, and dependable on-time delivery.

Through our commitment to precision, we provide the dependable energy supply our customers need to maintain operational continuity.

To become
#PreferredFuelPartner

RBI

SERVICE COVERAGE

RBI supports industrial fuel delivery across Indonesia's land and maritime areas, subject to product availability, route feasibility, and applicable regulations.

The background of the slide is a photograph of an industrial facility, likely a refinery or chemical plant. Several tall smokestacks are visible, each emitting a thick plume of bright orange and yellow flames or smoke that rises into the sky. The entire image is overlaid with a semi-transparent red filter. A white rectangular box is positioned on the right side of the slide, containing a solid blue circle above the main title text.

FUEL SUPPLY PARTNER & QHSE STANDARDS

Our fuel supply partner implements Quality, Health, Safety, and Environment (QHSE) standards as an integrated framework across its operations.

The framework encompasses:

- Quality Management System (QMS)
- Environmental Management System (EMS)
- Occupational Health and Safety Management System (OHSMS)

Consistent application of QHSE principles supports safe, efficient, and responsible operations, sound corporate governance, and compliance with applicable national and international standards.
